

# It Takes Two: Developing Interdisciplinary Collaborations between Educational Institutions and Museums

Michelle Delaney

Liz Kirby

☀ Smithsonian

# The Smithsonian

- Mission
- History and Governance
- Our Scholars
- Successful Collaborations

## A New Approach

- Strategic Planning
- New Interdisciplinary Structures
- Internal and External Goals
- Leadership
- Building the Teams

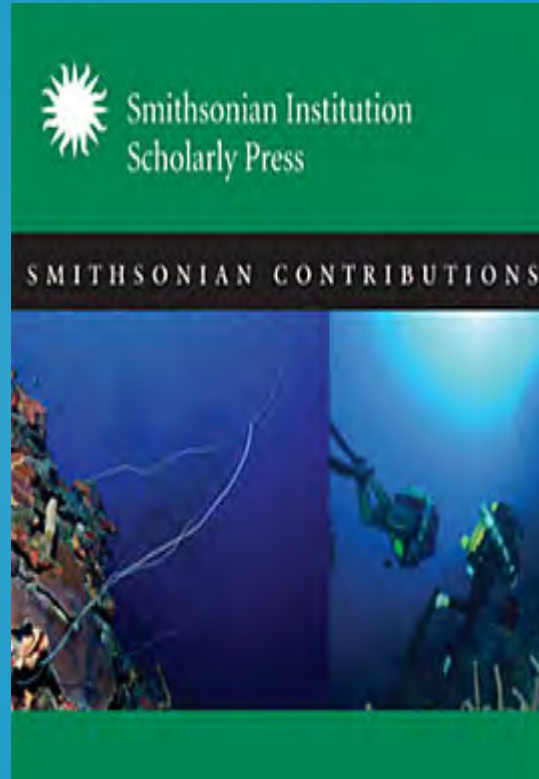

# History, Art, and Culture Collaborations

- Four New Collaborative Projects
- Our Smithsonian Teams
- What brought us together with other organizations?
- What strategies did we use?
- What were the projects?

## The Future

- Additional New Projects
- Facing Forward

# Discussion

- What questions can we answer for you?
- What are emerging areas for potential collaboration?
- What are good models for collaboration?

# Thank You!
